Virtual Open Mornings

Now available online - www.stgandt.solihull.sch.uk

St George and St Teresa Catholic Primary School welcome prospective parents who have children due to start Nursery or Reception Class in September 2021.

We are a happy and successful school, committed to providing the highest quality of education possible within a strong Catholic ethos. We believe that children should live and learn in a happy, secure and stimulating environment, a place where they are valued as individuals, encouraged to grow in self-esteem and given the opportunities they deserve to reach their potential.

Our Dragons centre offers options for Breakfast, Wrap Around and After School Care. It is managed by the School Governing Body and provides a safe, engaging and caring environment enabling our children to make independent choices as well as develop valuable life skills. Dragons operates between the hours of 7:30am – 8:55am, 11:50am – 3:30pm and 3:30pm – 6.00pm, making available a variety of healthy meals and a wide range of interesting, age appropriate resources and equipment.

Our school is offering the additional government entitlement of 30 hours free Early Years education each week. The first 15 hours free early education will be provided in the Nursery department of our school. The further 15 hours, which is subject to employment criteria, will be offered in our extended day care in Dragons and will follow the EYFS statutory guidance in conjunction with our Nursery.

Please visit our Virtual Open Morning to see our wonderful school, if you have any questions or other queries regarding the admissions process, please just get in touch – we'll be more than happy to help.

“If you could bottle what you do here for these children, you would all be millionaires.”
(Parent of Y6 pupil)

‘St. George and St. Teresa Catholic Primary School is a caring and vibrant learning community, where pupils are happy and keen to learn.’ (Ofsted 2018)

‘You have ensured that the school provides pupils with the best possible start in life.’ (Ofsted 2018)

‘The standard of teaching across the school is consistently high.’ (Ofsted 2018)
